RESPONSE TO RESTRICTION REQUIREMENT

The following is in response to the Restriction Requirement mailed August 28, 2004.

The Examiner has required restriction of the application to one of the groups of claims under 35 U.S.C. § 121. The Applicants, by their attorney, now elect the claims of Group II without transverse (claims 1-23 in part). Applicants further elect the compound of Example 163, for examination purposes. For the convenience of the examiner, the chemical structure of Example 163 is reproduced below.

Favorable action is now solicited. Applicants reserve the right to file divisional applications on all non-elected subject matter of the instant application.

Respectfully submitted,
Betschmann, et al.
